

Material: **Porcelain** | Appearance: **Concrete** | Application: **Walls and Floors**

Urban Colour

Urban Colour introduces an array of concrete-inspired tiles seamlessly blending with delicate grains. The colour palette encompasses four distinct shades available in brushed R10 and natural R11 finishes. The outcome is a fresh take on technical ceramic stoneware suitable for diverse applications.

Sustainability information

Cleaning and maintenance advice

Initial washing

The initial washing is fundamental for good treatment results. The initial washing is aimed at removing any laying residues and building grime.

Product: Deterdek Pro

Routine maintenance

The aim of the routine maintenance is to remove dirt and scuff marks. Must be carried out regularly.

Product: Cleaner Pro

Special maintenance

Special maintenance is carried out in case of very stubborn dirt, when the routine maintenance is not enough to restore the original look of the surface.

Product: PS/87 Pro

Please see www.filasolutions.com for methods of use, dilution and coverage.

LRV and PTV values may vary between batches; please contact us for guidance.
