Stoneveil

The Stoneveil series offers four stone inspired colours, each designed to bring elegance and sophistication to any setting. Its surfaces beautifully replicate the delicate nuances of natural stone, featuring soft shades and subtle veining that create refined and harmonious spaces.

Sustainability information

Cleaning and maintenance advice

Initial washing
The initial washing is fundamental for good treatment results. The initial washing is aimed at removing any laying residues and building grime.
Product: Deterdek Pro

Routine maintenance
The aim of the routine maintenance is to remove dirt and scuff marks. Must be carried out regularly.
Product: Cleaner Pro

Special maintenance
Special maintenance is carried out in case of very stubborn dirt, when the routine maintenance is not enough to restore the original look of the surface.
Product: PS/87 Pro

Please see www.filasolutions.com for methods of use, dilution and coverage.
