13	Chemical resistance	GLA - GHA - GA
14	Stain resistance	Class 5

Sustainability information

Cleaning and maintenance advice

Initial washing

The initial washing is fundamental for good treatment results. The initial washing is aimed at removing any laying residues and building grime.
Product: Cloth

Routine maintenance

The aim of the routine maintenance is to remove dirt and scuff marks. Must be carried out regularly.
Product: Cleaner Pro

Please see www.filasolutions.com for methods of use, dilution and coverage.
